## 2024 CORONADO CHAPTER GOALS

1. Support the 2024 MOAA National Advocacy in Action priorities through their widespread publication via weekly Legislative Alerts, monthly articles in our newsletter and engagement with appropriate representatives and elected officials.
2. Continually encourage our members to "Never Stop Serving" by providing avenues for their active involvement with organizations and groups sharing MOAA's mission as well as strengthening the bond between the Chapter and its membership.
3. Support the educational goals of qualified JROTC students and graduating seniors through the award of merit based scholarships to students in recognition of their past achievements and potential for leadership.
4. Annually nominate a deserving veteran for induction into the Arizona Veterans Hall of Fame, Canyon Vista Medical Center's Veterans Wall, or the United Veterans Council's Veteran of the Year.
5. Revamp and revitalize our social media space to increase the visibility of the MOAA brand as well as provide online capabilities to facilitate dispensing with current manual processes for activities and payments.

Although Old Man Winter appears to be trying to hold on for one last gasp, Spring is just around the corner. With a little bit of luck the cold temperatures and the winds of March should shortly be nothing but a distant memory.

And speaking of March, it was a busy month for the Chapter. In addition to Linda Wolverson's presentation at the annual Surviving Spouses dinner meeting we also had the opportunity to recognize the Distinguished Honor Graduate for the Basic Officers Leadership and Warrant Officers Basic Courses. Our monthly recruiting activities at the Sierra Vista Farmers Market continues to grow our membership on a monthly basis as did our support of the Ft. Huachuca Community Spouses Golf Scramble fundraiser. In addition to the opportunity to support post programs our Membership Director Allen Goodman continues to sign up members at each and every event we participate in. Check out our "New Members" on page 6 and watch your email for upcoming membership and recruitment activities.

The chapter also participated in the Sierra Vista Symphony "Men Who Cook" fundraiser in March and although our "Chicken Cluckers" didn't get the top prize, kudos to our Public Affairs Director Kaylee Nix and her crew for winning "Best Booth Presentation". For all who participated it was a great night. Just wait till next year!

And now that the weather is cooperating the Chapter is planning to go on a jeep ride along the border on April 5th. You don't have to have a jeep or four wheel drive vehicle but a high clearance truck or SUV is recommended. If you're just looking to ride along give Allen a call and we'll find you a seat. Details are on page 5.

Finally, when talking to someone about MOAA more often than not the first words out of their mouth are "What's MOAA"? Public Affairs has been striving to increase the visibility and name recognition of MOAA in general and the Coronado Chapter in particular but everyone has a hand in spreading the word. Have a MOAA shirt? Wear it, it just might give you an opening to speak with a perspective new member.

And last but not least, "Never Stop Serving".

I want to start out this month by saying “Thank You!” to everyone who attended our March Surviving Spouse recognition dinner meeting. We had an excellent attendance which included 10 surviving spouses attending this year. All of you made each of them feel welcomed and appreciated. In addition to an annual recognition dinner, let’s commit to keeping our surviving spouses active and involved in the Chapter.

Last month, I asked for skilled and not so skilled individuals who would be willing and able to render assistance to not only our surviving spouses but to any of our members in need. So if you can assist, please contact me so I can create a list of volunteers with their skills.

We are still in need of volunteer drivers to pick up members who no longer feel safe driving at nights to our monthly dinner meetings. So if you would like to volunteer to bring those members to our meetings, please contact me so I can maintain a list of volunteers. I promise that I’ll only ask for a driver that’s within the requested area so no one will have to travel too far out of their way.

Finally, please keep the following members in your prayers.

**Special Prayers & Concerns**

Sandra Abney	Barbara Hall	Nancy Fyffe	John Peele
Harley Hannsz	Bob Abney	Marianne Newcomer	Billie Stockl
Tom Reardon	John Black	Ann Lander	

And as always, pray for our military members and for their continued safety as they serve around the globe.

There are approximately 450 USPHS and 10 NOAA commissioned officers serving in Arizona. The USPHS officers provide critical health and medical services to our Native American population through service with the Indian Health Service throughout Arizona. From daily weather forecasts, severe storm warnings, and climate monitoring, NOAA officers provide products and services that support economic vitality and affect more than one-third of America's gross domestic product. These dedicated men and women work tirelessly in service to our great nation. In addition, USPHS and NOAA officers can be called to serve with the armed services during a national emergency.

An online search of the topic (including Department of Veteran Administration publications) reveals that Commissioned officers of the Public Health Service (PHS), Environmental Scientific Services Administration (ESSA), and the National Oceanic and Atmospheric Administration (NOAA) are considered veterans. These services were identified in the post 9/11 GI Bill legislation which granted those who served as commissioned officers in these agencies' veteran status. PHS, ESSA, and NOAA officers must have served at least 90 days on active duty after September 10, 2001 to qualify as veterans under the statute. Currently, ARS Section 43-1022 (11) excludes the active duty pay of members of the **armed services** from state income tax but fails to provide the same exclusion for US Public Health Service (USPHS) and National Oceanic and Atmospheric Administration (NOAA) officers who are proud members of the **uniformed services**. This contrasts with ARS Section 43-1022 (26) which excludes the retired pay of members of the **uniformed services**, which includes USPHS and NOAA officers, from Arizona state income tax. SB1413 would correct this disparity by changing the language of ARS Section 43-1022 (11) from **armed services** to **uniformed services**.

SB1413, Income Tax, Subtraction, Uniformed Services is now before the Arizona House Ways and Means Committee and the Rules Committee for consideration. I am asking you to support SB1413, which passed the Senate on March 5, 2024, and will amend ARS Section 43-1022 (11). Note that SB1413 had overwhelming support in the Senate and now needs the full support of this committee and the entire House.

Please contact your representatives and the committee chairs to express your support and direct them to support the effort: Neal Carter - [NCARTER@AZLEG.GOV](mailto:NCARTER@AZLEG.GOV) and Justin Heap - [JHEAP@AZLEG.GOV](mailto:JHEAP@AZLEG.GOV). ## MOAA OFFERS SUPPORT TO THE FT. HUACHUCA COMMUNITY GOLF SCRAMBLE

MOAA supported the efforts of the Ft. Huachuca Community Spouses tournament conducted on March 23. The Coronado Chapter was there to “Show the Flag” and in the process achieved high recognition among military officers signed up new members between the check in table and the first tee box.

Another great Public Affairs and Membership recruiting effort!
