2025 CORONADO CHAPTER GOALS

1. Support the 2025 MOAA National Advocacy in Action priorities through their widespread publication via Legislative Alerts, focused articles in the monthly newsletter and engagement with elected officials as evidenced by increased registration in and use of MOAA's Legislative Action Center.
2. Continually encourage our members to "Never Stop Serving" by providing avenues for their active involvement with organizations and groups sharing MOAA's mission as well as strengthening the bond between the Chapter and its membership thru the timely announcement and advertisement of opportunities as well as through direct personal contact.
3. Actively **engage** all surviving spouses on a routine and individually tailored basis; **support** each surviving spouse with appropriate assistance as each member may require; and **prepare** our members, as early as possible, for the point when life transitions as a surviving spouse.

Well, I noticed the roses have starting to bloom so Spring must have sprung while I wasn't paying attention.

For those of you who may have missed it, it was an absolutely fabulous luncheon meeting in March in honor of our Surviving Spouses. Our guest speaker Ms. Gail Joyce, Chair of the National MOAA Surviving Spouse committee gave a thought provoking talk about what you can expect to experience as a surviving spouse (and what you can do to prepare for the inevitable). More info on the event and the Surviving Spouse group can be found on Page 10 but if you take nothing else away, take to heart her advice that "Every Life Needs a Battle Plan".

By now I'm sure that all of you are aware of our program where we recognize various Military Intelligence officer course honor graduates for their achievement and the fact that we have been looking for someone to take over the management and execution of this extremely important program. As a result, I'd like to give a special shout out and express my appreciation to COL (R) Bill Sherod for stepping up to fill the gap and keep this program alive. For more info on the program and how you can personally assist see Jim Clenney's comments on the following page. And before I go any further, THANK YOU BILL!

Moving on, in an attempt to broaden the opportunity to attend our monthly meetings we moved our March meeting at the suggestion of several members from an evening dinner to an afternoon luncheon, which by the way was very well attended by almost 50 members and invited guests. Our April meeting will also be a luncheon while the May meeting recognizing our scholarship awardees will be an evening affair. Now comes the \$64,000 question on how to move forward. *What do YOU prefer?* Luncheons? Dinners? Either? We sent out a short survey last week asking those same question however if you're not a survey kind of person just drop us a note and let us know what you would prefer. And while I'm on the subject, don't limit your comments just to luncheons, let us know what you're thinking. We think this Chapter is great, but we're always looking for ideas on how to make it better.

And as always. . .

"Never Stop Serving".

Ed Wozniak, Chapter President

Nominating Committee. Our elections for open/opening leadership positions will be held this Fall. The Nominating Committee will soon stand up to research, seek, and interview potential candidates for the positions. Please consider your current and near future situation, in light of your strengths and characteristics. Can you help the chapter to grow and move forward in meaningful ways? Do you know someone ‘else’ who would be “great in that position?” Please encourage them to contact President Ed to learn more about positions and workings of the chapter.

Distinguished Military Intelligence Officer Honor Graduate Program. I am pleased to announce that there is every indication that the MOAA and Coronado Chapter program of awarding Military Intelligence officer course honor graduates with a 3-year Premium membership will continue in the future. This has served as a platform for us to represent and introduce MOAA to over 6,000 MI students/officers since 2015. Member Bill Sherod has agreed to take on the management of this program over the next several months. I ask all to please consider serving as a presenter. Keep this program in mind should you find yourself with 30-45 minutes available to welcome young officers into the fold of careerists and MOAA associates.

Arizona Coalition for Military Families/Be Connected Cochise County. If you are an actively serving officer, veteran, spouse, surviving spouse, or other related circumstance, I recommend you check out the Arizona Coalition for Military Families at <https://arizonacoalition.org/>. This group has created several initiatives, including the Be Connected program.

Be Connected is a comprehensive direct-service and education for veteran communities to enrich their lives and the lives of others. Through three components – call, match, and learn – the program works toward the following goals:

- Reduce deaths by suicide in Arizona’s population of service members and veterans.
- Build upon existing capacity and strengths within the service systems, adding a new layer of coordination and support.
- Demonstrate effectiveness and develop a sustainability plan that builds program components into systems and funding.

Under ACMF’s leadership, and with many local public and private sector partners, we are developing a deeper and wider network in Cochise County. This network is being designed to enable veterans and military families to access wide varieties of resources for individual needs. The services include emergency support, inpatient care, long term support, and other

needs for daily living. I encourage you to check out the website. There are many opportunities for you or your family to use this organization to learn about and acquire support for your individual needs. To learn more about Be Connected, visit <https://connectveterans.org/bcaz/> to familiarize yourself with what is available to you and to Arizona military families. Watch for more action in the coming months as the partnership grows and matures in capabilities and access portals.

As you have seen through the regular Legislative Advocacy updates that I send out once or twice a month, there are many items of impact to service members. Currently we are closely following four bills in the Arizona Legislature.

HB2672: Property tax exemptions for 100% disabled veterans - Unfortunately, we still see no action in the Senate Committees. Learn more and encourage our Legislators to move forward!

SB1155: Ensures pay and income tax equity for members of the U.S. Public Health Service and the National Oceanic and Atmospheric Administration. - Still no posted action from the Senate committees. This is a low expense issue that recognizes the contributions and services rendered.

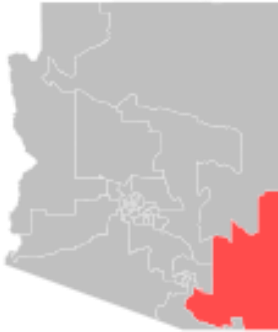

SB1704: Authorizes the use of Veteran Donation Fund monies to support Arizona State Veterans Homes. - This received a "Do Pass" from the House Federalism, Military Affairs & Elections committee on 3/10, no action in House Appropriations or Rules committees.

SB1021: Grants in-state tuition to contracted ROTC cadets at state universities. - This received a "Do Pass" from the House Appropriations committee, no action in the House Rules committee.

We are monitoring and I encourage your action re: the following National Advocacy items.

S.879 A bill to expand medical, employment, and other benefits for individuals serving as family caregivers for certain veterans, and for other purposes. H.R.2148 - To expand medical, employment, and other benefits for individuals serving as family caregivers for certain veterans, and for other purposes. There are 14.3 million military and veteran caregivers in the U.S. — a population larger than all but four U.S. states. And 74% of them are caring for veterans aged 60 or older, according to a 2024 RAND report — veterans whose need for long-term care is only increasing with time. The Veteran Caregiver Reeducation, Reemployment, and Retirement Act recognizes the critical role of PCAFC participants and aims to address the financial, professional, and emotional challenges they face. It seeks to extend health coverage, provide bereavement counseling upon a veteran's death, and support caregivers as they transition into the workforce or retirement. The bill also has the potential to reduce their future reliance on government assistance programs.

H.R. 1956 This was introduced March 6 would restore a critical housing benefit for servicemembers and their families, reversing a decade-old law that cut the Basic Allowance for Housing (BAH) for all in uniform. Essentially, for most of the past decade, BAH has been authorized at 100% of allowance but paid at 95% of the authorization. The remaining 5% has been rerouted to “other needs” by DoD.

Our wine tasting tour was unexpectedly cancelled due to unforeseen circumstances. But don't fear, we'll get another tasting put together very soon.

I'm planning a tour for April 25th to the Amerind Museum at Texas Canyon. After the tour we'll have lunch at the Horseshoe Café in Benson. So watch your inbox for the official announcement with the details. Like always, we have a great time!

We've added another item to our merchandise store. Along with our Ball Caps, Polo Shirts, Women's Blouses (2 styles), Sun Visors, Men's and Women's Dress Shirts, and

Vests you'll be able to show off your membership by displaying a "Coronado Chapter" bumper sticker. The proceeds (which is very minimal) goes to our operation budget so we can support our members and veterans of the community. All our items are available on our website, moaacoronado.org or contact

me directly at (719) 440-1105 or agoodman0663@yahoo.com and I'll get your order coming to you. Show your pride in membership to the community.

As a reminder, if you believe in the mission of MOAA and our Chapter's community support to our veterans and their families, please ask your fellow officers to join. Remember our motto; "Never Stop Serving". So keep a few of our tri-folds handy to give out. In case you don't have any tri-folds, just ask me the next time we see each other.

Our March 20, 2025 general membership luncheon focused on our surviving spouse members. The guest speaker, Gail Joyce, Chair of the Surviving Spouse Council for MOAA National not only shared her personal experience with being a Surviving Spouse, but drilled into us that every life needs a “Battle Plan” to deal with life after a spouse. The Chapter also covered the cost for lunch for all the Surviving Spouses in attendance.

In addition to having Gail with us we were also honored with several visitors; Nora Durham, Surviving Spouse Board Member, MOAA National, Bettie Rundlett, Surviving Spouse Board Member, Geen Valley MOAA, Melanie Barton-Edwards, President, Sky Island Regional Partnership, and Fiona

DeYoung, Outreach Coordinator for Congressman Juan Ciscomani. You can also [CLICK HERE](#) for a video clip of Jeff Davenport from Cool FM interviewing Gail and Joyce.

Our next Surviving Spouses luncheon will be held on 1 April at Mande Le, start time 3:15pm. If you believe you can not attend and then your plans change, please come! We will NOT turn anyone away at the door. This is Dutch-treat. One more item, this is NOT a meeting; no agenda, no minutes, just good surviving spouse talk.

I have asked three of our members: Nancy Rae, Jodie Heinz and Helen Manring to talk briefly about their experiences. In addition, Jim Clenney will describe the Surviving Spouse Handbook again as we set a path forward that includes more care giver topics.

Please come! It will be a pleasure to see all of y'all there!

Our local JROTC students continue to excel in all their endeavors and we should be very proud of them. Award ceremonies will be conducted on 24 April 25 at both Tombstone and Buena High Schools to recognize cadets having demonstrated outstanding citizenship, personal responsibility, and service to the community. Even though I will not be able to personally present these MOAA awards at either school this year as I will be taking a refresher course in ultrasounds for Care Net Pregnancy Center for Cochise County (continuing to serve!), the award at Tombstone HS will be presented to C/CSM Madeline Wallace by President Ed Wozniak with "multi hatted" Allen Goodman presenting the award to C/1LT Kyla Gross at Buena HS. Don't you just love it when a plan comes together?

In a previous edition of the Heliogram the scheduled events that the Buena High School JROTC would be participating in were listed. CW4 Gross, the senior instructor for Tombstone HS JROTC has recently provided me with the scheduled activities for the rest of their academic year. As you can see these students keep really busy in addition to their academics and sporting activities, so if you happen to see them out and about give them a pat on the back. After all, they are our future.
