2025 CORONADO CHAPTER GOALS

1. Support the 2025 MOAA National Advocacy in Action priorities through their widespread publication via Legislative Alerts, focused articles in the monthly newsletter and engagement with elected officials as evidenced by increased registration in and use of MOAA's Legislative Action Center.
2. Continually encourage our members to "Never Stop Serving" by providing avenues for their active involvement with organizations and groups sharing MOAA's mission as well as strengthening the bond between the Chapter and its membership thru the timely announcement and advertisement of opportunities as well as through direct personal contact.
3. Actively **engage** all surviving spouses on a routine and individually tailored basis; **support** each surviving spouse with appropriate assistance as each member may require; and **prepare** our members, as early as possible, for the point when life transitions as a surviving spouse.

Well, the leaves are on the mesquite trees and the prickly pear cactus is in bloom so I guess it must finally be spring.

As you're probably aware May is the month in which we recognize our scholarship winners and their families at our monthly dinner meeting. It is only through the generosity of our membership that we're able to assist these young students continue their academic pursuits and believe me, your generosity is greatly appreciated. I made mention at April's luncheon that if you need a little pick me up, come to the May dinner meeting and talk to some of these outstanding young men and women, it'll give you hope for the future. This year we'll be awarding scholarships to 12 deserving students from Douglas, Tombstone, Bisbee, and Buena High Schools. For a complete listing of this year's scholarship award winners see Kathy Youngbloods Scholarship Director comments on Page 13.

And speaking of outstanding young men and women, I recently had the honor of presenting Cadet 1LT Kyla Gross of the Tombstone JROTC detachment with the MOAA JROTC Award for her outstanding citizenship, personal responsibility and service to the community as a member of the detachment. Congratulations Kyla!

And last but certainly not least, it gives me great pleasure to report that the Coronado Chapter has once again been designated a Five Star Level of Excellence Award winner in addition to being designated a Five Star COL Marvin J. Harris Communication Award winner for our newsletter and website, the highest designations obtainable. These achievements in both programming and communications do not happen as the result of any single individual, so to all who once again had a hand in this accomplishment, mega kudos.

Just a reminder, although the Chapter will be dark in June, July, and August keep an eye on your email for possible events and activities over the summer months as they occur.

And as always. . .

“Never Stop Serving”.

Ed Wozniak, Chapter President

IMMEDIATE PAST PRESIDENT

Nominating Committee. Our elections for leadership positions of the Coronado Chapter will be held this Fall and the President and Vice Presidents have provided guidance to the Chair of the Nominating Committee (that's me). Together we've reviewed the chapter membership, considered the current and out-year goals of the chapter, as well as the perceived and known talents within the Chapter's members.

I respectfully ask that each of you reading this consider your current and near term life situations. Which of your known strengths and personal characteristics will fit into your life AND help the Chapter and community to grow and move forward in meaningful ways?

I also respectfully ask you to encourage your friends and fellow members to do the same. Is there someone who you believe would be great in "that" position? If so, talk to that person and recommend a contact to President Ed to learn more about positions, workings, and goals of the chapter. When needed, I can provide additional background or experience-based details.

Distinguished Military Intelligence Officer Honor Graduate Program. I am so grateful to COL Sherod for stepping into this role and leading the MOAA Distinguished Honor Military Intelligence Graduate Program. He will take on the majority of the procedural activities while the duty of reporting out to the membership will remain under the Immediate Past President until otherwise assigned per our ByLaws.

I respectfully ask all members to consider serving the Coronado Chapter and MOAA as a presenter of this award. I will share no more promises on how little of a time investment this calls for, but I will guarantee that I have personally found each individual presentation experience well worth my time.

Arizona Coalition for Military Families. I was invited by ACMF to attend April's Symposium as a MOAA member. I believe that I also was able to adequately represent Coronado Chapter to the other attendees. I used a significant amount of ink on my legal pads and enjoyed a torrent and overwhelming variety of information. I am glad I took notes! I also acquired several additional duties during that conference. Over the coming months I will share with the Chapter all of these related activities.

Arizona's MOAA Council of Chapters repeatedly has entered into partnership with ACMF in

striving to achieve our shared objectives and strategic goals. I believe this is a good thing for our communities; especially serving military, veterans, and their families (that's SMFV in Sailor-speak).

Our tour to the Amerind Museum on April 25th was a big success as everyone who attended had a great time. Haven't decided where we'll be visiting during the month of May yet, but watch your inbox. We're working to get another tour in before the Summer heat is upon us.

We also had six new members join the Chapter this past month so give them a hardy "welcome" when you see them.

ACTING SURVIVING SPOUSE DIRECTOR

James Clenney, LCDR, USN (Ret)

(520) 234-5286

Hello again everyone. I am filling in the position of Surviving Spouse Standing Committee Chair for the near future. Jane Strain (Coronado Chapter's Surviving Spouse Liaison/Director) has stepped down from the position. She has decided to pull up tent stakes and move to Illinois to be close to family. Although I will miss her presence I am very happy for her and her family.

That being said, the Coronado Chapter is urgently seeking a surviving spouse member of the chapter to serve as the Chair and Director. This position calls for meeting with other SSM as well as advising the Board of Directors regarding activities and decisions made or needed. I respectfully ask for ALL members who have the experience of being a surviving spouse to consider this request to serve. We also have positions on the standing committee that must be filled. Your experiences create in you some very valuable knowledge that others (e.g., me) do not possess. Please! I do not possess the qualifications or experiences to lead nor serve as a voting member of the committee! The current committee members include Janet Bobar and Jodie Heinz. Please ask them about their service and evaluate your ability to join with us. We encourage you to use the moaacoronado.org website. 1st VP Kyle has really coordinated an excellent source of information and connective tissues.

As you may know, we have completed the Surviving Spouse Handbook. It is available on our website and can be downloaded by [CLICKING HERE](#). Check it out. This is something that can/should be shared with whoever may need the organization that it provides. This handbook may be especially supportive to those of us who are Caregivers. Note that this is not meant to compete with MOAA's publications (e.g., Surviving Spouse Corner) but to serve as a locally-focused supplement. If you missed the 1 April SSM social gathering at MandeLe, please consider attending the next. We will publish the location and time via a later email. This gathering is a great time to share events and knowledge with your fellow Surviving Spouses. If you need transportation to any Chapter meetings, just ask me or Theresa Walsh, Personal Support Director.
