2026 CORONADO CHAPTER GOALS

1. Support the 2026 MOAA National Advocacy in Action priorities through their widespread publication via Legislative Updates to all veterans; focused articles in the monthly newsletter; and engagement with elected officials as evidenced by registration in and use of MOAA's Legislative Action Center.

2. Continually encourage our members to "Never Stop Serving" by providing avenues for their active involvement with both MOAA efforts and priorities as well as in support of organizations and groups share common goals in concert with MOAA's mission.

3. Actively **engage** all surviving spouses on a routine and individually tailored basis; **support** each surviving spouse with appropriate assistance as each member may require; and **prepare** our members, as early as possible, for the point when life transitions as a surviving spouse.

PRESIDENT

Edward A. Wozniak, LTC, USA (Ret)

Welcome to the March edition of the Heliogram.

First of all, your piece of trivia for the day. Did you know that the Coronado Chapter will be celebrating its 53rd anniversary on March 15th making us not only the largest MOAA chapter in the state of Arizona but also the fourth oldest? Yes, it's true, and what better way to celebrate that milestone than to attend the March luncheon where we'll be honoring our Surviving Spouses and all the contributions they made to keeping the home fires burning.

And speaking of honoring individuals, I'd like to mention a program that doesn't appear to be very well known. In conjunction with the Southern Arizona Veterans Memorial Cemetery Foundation "Wreaths Across America" will be here in December to lay as many wreaths on as many graves as possible to remember and honor our fallen veterans. On the following page you can find a flyer with a QR code that can be scanned for more information on the event. If you're interested in sponsoring a wreath or volunteering your time to assist in placing them your contribution would be most appreciated. Additional information can also be obtained by contacting our representative to the SAVMC, Kathy Youngblood.

Also coming up just around the corner is the deadline for this year's scholarship awards. This year we are offering scholarships to deserving students in four distinct categories, but the clock is ticking and applications are due NLT 6 March 2026. If you have a child, a grandchild, or in the case of some of you a great-grandchild looking for financial assistance to continue their education, don't miss out on this opportunity. Additional information on the types and criteria for award can be found on page 11.

And last but not least, our membership cycle is such that many of our members fail to renew their annual memberships to MOAA as well as the Chapter in January. While this happens every year it's disheartening to lose even one individual as we're always on the lookout for those who are willing and able to contribute so if you know of individuals who are eligible for membership invite them to a luncheon, we may be the largest chapter in the state, but there's always room for one more under the tent.

And as always. . .

"Never Stop Serving".
Ed Wozniak, Chapter President

(520) 234-5286

I have the honor of attending Arizona's Be Connected Community Lunch with City Councilman Rodriguez this week. This event will support our community to strengthen connections among and within rural communities. We will learn about and build successful practical Cochise County strategies to support our servicemembers, veterans, and their families. This session promises opportunities to collaborate directly with state leadership on the best ways to meet the needs of our neighbors who serve and have served. More to come. If you are interested in learning more, please feel free to contact me.

LEGISLATIVE AFFAIRS DIRECTOR

James Clenney, LCDR, USN (Ret)
j2k2c4@gmail.com
(520) 234-5286

All MOAA chapter members, service members, veterans, family members, and voters of Cochise County should consider the information and capabilities present on the Legislative Action Center at https://moaa.quorum.us.

I am compelled to press MOAA members to review the campaigns organized on that site. I can pretty much guarantee that you will find at least one issue that you personally would want to pass, fail, or receive support for among this year's federal legislation. I also believe that what you read on that site will help you be a more informed constituent, voter, and citizen.

Try it out. In the scheme of all you have lived through in your life of service, you have little to lose in investigating this site but about 30 minutes of screen time.

And as Always . . .

"Never Stop Serving"
James Clenney

MEMBERSHIP DIRECTOR

Allen Goodman, CW2, USAR (Ret)
agoodman0663@yahoo.com
(719) 440-1105

Unfortunately this month's Heliogram is going out to 114 fewer members due to non-renewal of Annual Memberships. We did gain 5 new members in the month of February and we're still the largest Chapter in the State, but our National standing as the second largest is no longer. We have a long way to go to get back up to our record setting membership level so if you have a personal relationship with any of our former members, reach out and invite them back into the fold.

This month's excursion will be to the Mescal Movie Set just north of Mescal, AZ. Unlike our other excursions we'll be going on a Saturday, March 28th. This movie set is the location of the filming of many famous movies since 1970. Movies such as Tombstone, The Quick and Dead, Stagecoach, The Gambler and many others since were filmed here. Even TV shows such as Bonanza, Gunsmoke, The Magnificent Seven, and Little House on the Prairie were filmed there so come and join us for a fun and informative tour. As a side note, our tour guide will be a fellow retired USMC LTC Daniel Sprinkle and possibly our own movie actor and producer Michael Munroe.

As always, we'll meet at the Mall Parking Lot on the South side of Dillard's at 0845 with departure at 0900 with the tour scheduled for 1000. I'll have a 15 passenger van available so we can all ride together if desired. Those who want to drive are more than welcome to follow along. After the tour, we'll be going to the Horseshoe Café in Benson for lunch before heading back to Sierra Vista. If you'd like to join us on this interesting and historical tour please call, text, or email me no later than 1600 on the 27th. I was able to negotiate a special military/group rate of $15.00 per person which you will pay at the entrance.

As a reminder, if you believe in the mission of MOAA and our Chapter's community support to our veterans and their families, please approach your fellow officers and invite them to join, they'll be glad they did.

And as always. . .

"Never Stop Serving"
Allen Goodman, Membership Director

Why join Coronado Chapter?

Give Back to the Community – We serve as MOAA's ambassadors in local communities. Members continue "officership" service and are giving back in the truest sense.

Expand Social Opportunities– Coronado sponsors programs and opportunities to interact with civic, political, military, and business leaders.

Network With Fellow Officers– Our membership includes second-career members in the work force and retired service members who have contacts in their communities that can be valuable to transitioning officers.

Stay Informed – Our newsletter (Heliogram), website http://www.moaacoronado.org/, and meetings provide you with the latest information on local, state, and national issues and changes to military benefits.

Influence State Legislation– Arizona's Council of Chapters unites our chapters to lobby for and pass state level legislation that affects military members and their families, such as exempting military retired pay from Arizona income tax or increasing funding for Arizona's veterans' programs.

Find Camaraderie With a Purpose – Coronado unites active duty, former, and retired officers from every branch of service. This gives you opportunities to connect with other members with similar backgrounds and interests and develop lasting friendships.
