2026 CORONADO CHAPTER GOALS

1. Support the 2026 MOAA National Advocacy in Action priorities through their widespread publication via Legislative Updates to all veterans; focused articles in the monthly newsletter; and engagement with elected officials as evidenced by registration in and use of MOAA's Legislative Action Center.

2. Continually encourage our members to "Never Stop Serving" by providing avenues for their active involvement with both MOAA efforts and priorities as well as in support of organizations and groups share common goals in concert with MOAA's mission.

3. Actively **engage** all surviving spouses on a routine and individually tailored basis; **support** each surviving spouse with appropriate assistance as each member may require; and **prepare** our members, as early as possible, for the point when life transitions as a surviving spouse.

PRESIDENT

Edward A. Wozniak, LTC, USA (Ret)

Well, the leaves are back on the mesquite trees, the prickly pear cactus are in full bloom and I'm sneezing up a storm so I guess spring must have fully sprung.

During the month of April we had the opportunity to recognize nine Scholarship recipients from four of our local high schools as well as recognizing the outstanding JROTC cadet from both Tombstone and Buena High Schools. As I've previously mentioned it is so invigorating to not only recognize the accomplishments of these young people but to be able to speak with these outstanding students and future leaders on a one to one basis. Each and every one of them was most appreciative of the support we provide which is only possible through the support you provide so on behalf of the Chapter and the recipients, Thank You!

As we've previously announced one of our newest members, LTC "Bud" Meador has stepped up to assume the position of Chapter Historian. While some folks may think that simply entails filing the Heliogram once a month Bud has an ambitious vision of what the position of historian could and should be. Having taught a little military history as an ROTC instructor in my former life I personally can't wait to see what he has in store for us (see Page 7 for more details).

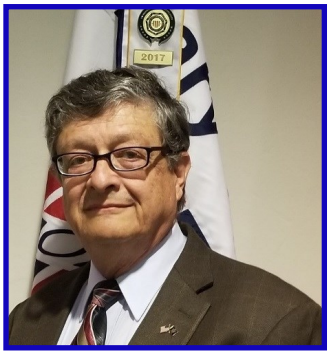

Moving on, there is one issue that I'd like to address before going any further. In the past we have always allowed individuals to pay at the door for luncheon/dinner meetings, however of late we've been having more and more folks make a reservation and not show up. Last month the Chapter covered over $200 for no-show reservations. In order to alleviate this financial drain on the Chapter we're initiating a policy of "a reservation made is a reservation paid" if not cancelled by the reservation deadline. Your understanding as to the reason for this change is greatly appreciated.

And last but certainly not least, it gives me great pleasure to report that the Coronado Chapter has for the 18th year in a row been designated a Five Star Level of Excellence Award winner in addition to being designated a Five Star COL Marvin J. Harris Communication Award winner for our newsletter and website, the highest designation obtainable. To all who once again had a hand in this incredible accomplishment, mega kudos.

Just a reminder, although the Chapter will be dark in June, July, and August keep an eye on your email for possible events and activities over the summer months as they occur.

And as always. . .

"Never Stop Serving".
Ed Wozniak, Chapter President

IMMEDIATE PAST PRESIDENT

James Clenney, LCDR, USN (Ret)

Greetings, I hope you are all having a reasonably enjoyable start to this time of year. Cold nights and warmish days can be fun! I've been working with Cochise Serving Veterans to lay out steps for our Cochise community members' service to our fellows. The following elements are initiated, underway, or completed:

- CSV partnership with ACMF[(1)] strengthening the systems that support those who served. Together, we are developing a wider and better organized network with lines of communication and standardized interfaces.
- CSV partnership with BeConnected (aka ConnectVeterans.org)[(2)] has given CSV and the county access to resources focused on supporting our service members, veterans, and their family members as well as community helpers, organizations, and communities throughout Arizona by connecting you or someone you're helping to resources and support. Finished looks like an integrated location that easily provides targeted and useful information to our SMVF. This will be available via digital, verbal, or written resources.
- CSV was introduced to, and subsequently coordinated the arrival of an Endeavor's Wellness Center in Sierra Vista. This Center will serve as a no-charge center for support for First Responders, Border Patrol, Active Service Members, Veterans, and their families.[(3)]
- CSV has received technical assistance from Substance Abuse and Mental Health Services Administration[(4)] and Arizona Complete Health[(5)] This partnership has resulted in our decision to host a second training event focused on finishing the development of a Cochise County specific Crisis Intercept Map. This upcoming session will help us to better define our gaps and needs and strengths. From that the attendees will develop a series of flow charts to guide future policies and actions.

LEGISLATIVE DIRECTOR

James Clenney, LCDR, USN (Ret)

The following graphic was recently shared as a snapshot of our record of reaching out to our elected officials. I am heartened to see the number who reach out by phone or by the Legislative Action Center. While the number of "I Haven't Tried" is not as high as I thought it'd be, any of you who are in this group I say you should try it out. You will see it referred to as either quorum.com or MOAA Legislative Advocacy Center. Our Associations top (and/or urgent) legislative advocacy targets are available on these sites. This site makes it easy for you to read, consider, and advise our elected officials regarding each topic.

One of our members shared these items of interest. The local Veterans Memorial Cemetery Foundation supports this!

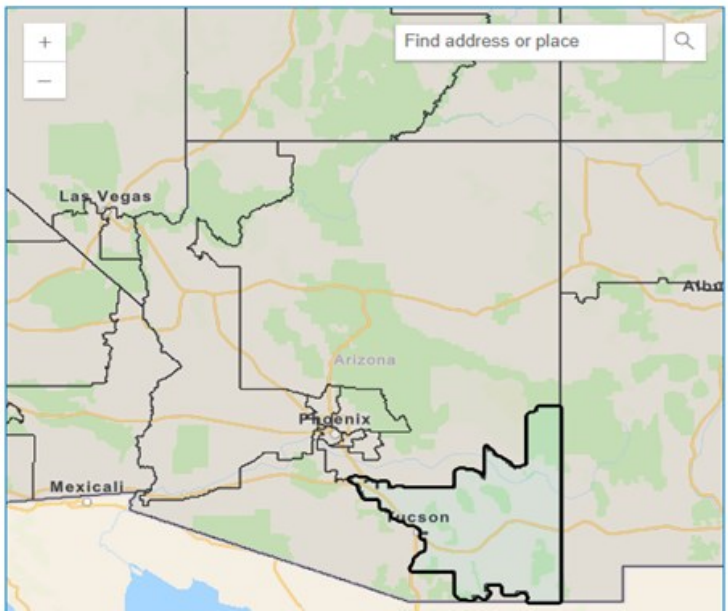

As of April 2026, the 119th Congress Senate Bill S.3241, titled the "Protecting our Veterans' Memories Act," was introduced on November 20, 2025, by Senator Andy Kim. The bill was read twice and referred to the Committee on Veterans' Affairs on 20 November. Its purpose is to amend title 38, United States Code, to direct the Secretary of Veterans Affairs to provide a plot allowance for spouses and children of veterans buried in State cemeteries. If you support this, let your elected official know you support its passing.

As of early 2026, H.R.6244 (119th Congress), titled the "Protecting our Veterans' Memories Act," was introduced in the House on November 20, 2025, and referred to the House Committee on Veterans' Affairs. Its purpose is to amend title 38, United States Code, to direct the Secretary of Veterans Affairs to provide a plot allowance for spouses and children of veterans buried in State cemeteries. It was subsequently referred to the Subcommittee on Disability Assistance and Memorial Affairs on January 5, 2026. If you support this, let your elected official know you support its passing.

MOAA's annual Advocacy in Action 2026 has been completed. Your fellows fanned out across Capitol Hill, and focused their audiences on:

- Incentivize Military Spouse Hiring
- Continue Unaccompanied Housing Improvements
- Improve Access to Health Care for Military Families
- Ending the Wait for Toxic-Exposed Veterans
- Support Veteran Caregivers

The site https://www.congress.gov/ provides MUCH info about what is coming, what is being talked about, what is being negotiated in the halls of Congress. I strongly recommend you look through it and consider how/whether it impacts you.

CHAPLAINS CORNER

Chaplain Scott Dalrymple, LCDR, USN (Fmr)

One of my Sunday school teachers when I was in Junior High taught us the following: Your attitude towards life determines your altitude in life more than your aptitude. I latched onto that maxim and it has served me very well over the last five decades.

Being smart about things will help lead toward success in life – but there will always be difficult events in life that tend to knock us down. A job loss. A family loss. Financial loss. Relationship disappointments. Accidents, bad weather, failed adventures, etc.

That is where attitude plays such an important role. Overcoming these challenging circumstances is a matter of attitude – and it is your choice how you respond. A negative attitude will compound the frustrations and lead into a downward spiral. Whereas a positive outlook is the quickest road to recovery.

Also, just having a happy, positive, and pleasant personality is more effective in our life, relationships, and business dealings. A smile goes a long way, even if you don't know the right answer.

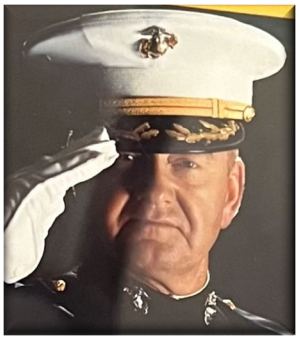

As always, keep the following members in your prayers, pray for the safety our leaders and for them to make wise and just decisions and pray for our military members and their families for their continued safety as they serve around the globe.

CHAPTER HISTORIAN

Wilburn "Bud" Meador, LTC, USMC (Ret)

Greetings Coronado Chapter Members! My name is Bud Meador, and I am a retired Marine Infantry Officer. My wife Jane, who was my high school sweetheart, is a graduate of the University of Kansas, while I received my degree from Arizona State University.

My background and experience have prepared me well for the position as Chapter Historian. Some of my past assignments and positions include:

- Three years teaching upper-division military history courses at the University of Southern California.
- Five years teaching Marine Air Ground Task Force (MAGTF) Education at Marine Corps University.
- Sixteen years teaching in the Department of Military History at the US Army Command and General Staff College, Fort Leavenworth.
- Conducting Staff Rides at 1st and 2nd Manassas (Bull Run), Antietam, Chancellorsville, Gettysburg, and the Overland Campaign of 1864/65.

My vision for our history program is to explore and highlight Arizona's rich military history from the post-1865 era to the present day. To accomplish this, I plan to develop a program that features guest speakers and incorporates as many staff rides as possible, visiting notable sites of military historical interest throughout Arizona.

In pursuit of this vision, I intend to engage with the Buffalo Soldier community and utilize the archives of the US Army Museum at Fort Huachuca as well as state archives. Additionally, I aim to establish connections with park ranger offices at various forts across Arizona.

Our approach will be collaborative, incorporating reading assignments and role-playing activities, which I will explain in more detail when we meet.

I look forward to an engaging, informative, and educational experience for everyone involved. SEMPER FIDELIS!

JROTC AFFAIRS DIRECTOR

Lori Wysong, CW3, USA (Ret)

It was my pleasure and honor to have presented the Annual Coronado MOAA Chapter JROTC Awards to very deserving Cadets from Tombstone and Buena High Schools. These cadets are chosen by their Senior Instructors for having demonstrated outstanding citizenship, personal responsibility, and service to the community and country as members of the JROTC. Senior Instructor Thomas Gross and his team from Tombstone High School selected Cadet Major Preston Bidon and CPT Don Gregory and his team from Buena High School selected Cadet Private Aaron Grijalva as the recipients of the award. I felt so much pride for these young people as I am sure their parents feel!

Our tour to the Mescal Movie Set was a tremendous success!!! We had 20 members join us for a fun and a very informative tour. Our own western movie personality Mike Munroe made it that much more interesting. Afterwards we had lunch at the Horseshoe Café in Benson. This was by far the best and most attended outing we've had since we started taking trips 2 years ago.

Our last tour before our Summer break was to the Queen Mine in Bisbee on the 25th of April. I'll tell you all about the fun we had on that tour in the September Heliogram.

Our Historian, LTC (Ret) Bud Meador is planning some Military Historical site tours here in Southern Arizonia before the end of the year. I personally am looking forward to learn more about our Military History in our area. Stay tuned for those announced tours.

Remember, our merchandise store is up and running on our website. Show your pride in membership by placing an order for our Coronado Chapter logoed Ball Caps, Polo Shirts, Women's Blouses (2 styles), Sun Visors, Men's and Women's Dress Shirts, Vests, Bumper Stickers are available on moaacoronado.org or contact me directly at (719) 440-1105 or agoodman0663@yahoo.com and I'll get your order coming to you. Show the community your pride in membership in the Coronado Chapter. Who knows, you may even recruit a new member by seeing our logo.
